I was not at the table when Jared called Mr. Peri so am only guessing here that perhaps Jared proposed 4Mar and Mr. Peri was unavailable that day but could meet on 2Mar. Have you called Mr. Peri? Is 2Mar a problem for you? If so, we should definitely adjust. How do you suggest we proceed at this point?

Ok. Based on Leo conversation with Jared I put Mar 4 out to Peri and others in local community and haven't heard back. I guess it is up to Jared and Peri now?

Angeles,

I have reached out to locals on a potential March 4 meeting in Yerington, as suggested by Jared to Leo. Will let you know when I hear back.

Greg
